

## GUIDE TO OPEN IELTS WRITING (2007 THE NEW ORIENTAL) EBOOK WITH SECURITY FILE

All files downloading from topsage.com website have password is security file. You can only read on your computer , can not print. Now I will help you to open ebook with security file by “Adobe Reader 9 or over” software.

1. Download Adobe Reader 9 or over at <http://get.adobe.com/reader/>
2. Install Adobe Reader
3. Unrar “IELTS WRITING (2007 The New Oriental).RAR” file, you will have two files : one is IELTS WRITING (2007 The New Oriental) ebook and one is security file topsage.exe
4. Click to topsage.exe to unrar “topsage.pfx” to C:\Program Files\Adobe
5. Open Adobe Reader > click to Document > Security Settings

Click to Digital IDs > Add IDs

## Add Digital ID

Add or create a digital ID to sign and encrypt documents. The certificate that comes with your digital ID is sent to others so that they can verify your signature. Add or create a digital ID using:

My existing digital ID from:

- A file
- A roaming digital ID stored on a server
- A device connected to this computer
  
- A new digital ID I want to create now

[Cancel](#)

[< Back](#)

[Next >](#)

Click to Browse , and go to C:\Program files\Adobe to open topsage.pfx

## Add Digital ID

Browse for a digital ID file. Digital ID files are password protected and require your password in order to be opened.

File Name:

**Browse...**

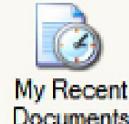

Password:

Click to topsage and Open

## Locate Digital ID File

Look in:

 Adobe

My Recent Documents

Desktop

My Documents

My Computer

My Network

Acrobat.com  
Reader 9.0  
**topsage**

File name:

topsage

**Open**

Files of type:

Digital ID Files (\*.p12, \*.pfx)

**Cancel**

Type password : 123456789

Add Digital ID X

Browse for a digital ID file. Digital ID files are password protected and require your password in order to be opened.

File Name:

[Browse...](#)

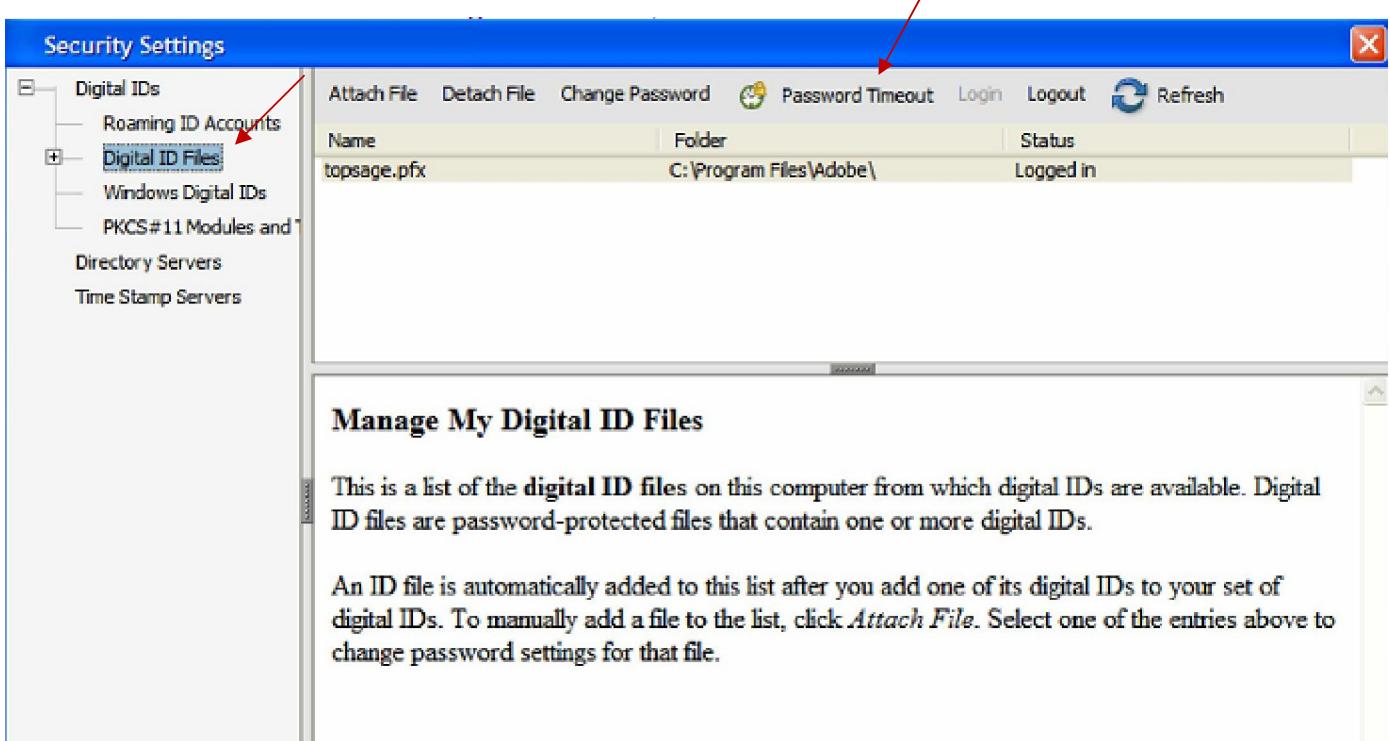

Password:

[Cancel](#)

[< Back](#)

[Next >](#)

Next, you click to **Digital ID Files** , and click to **Password Timeout**

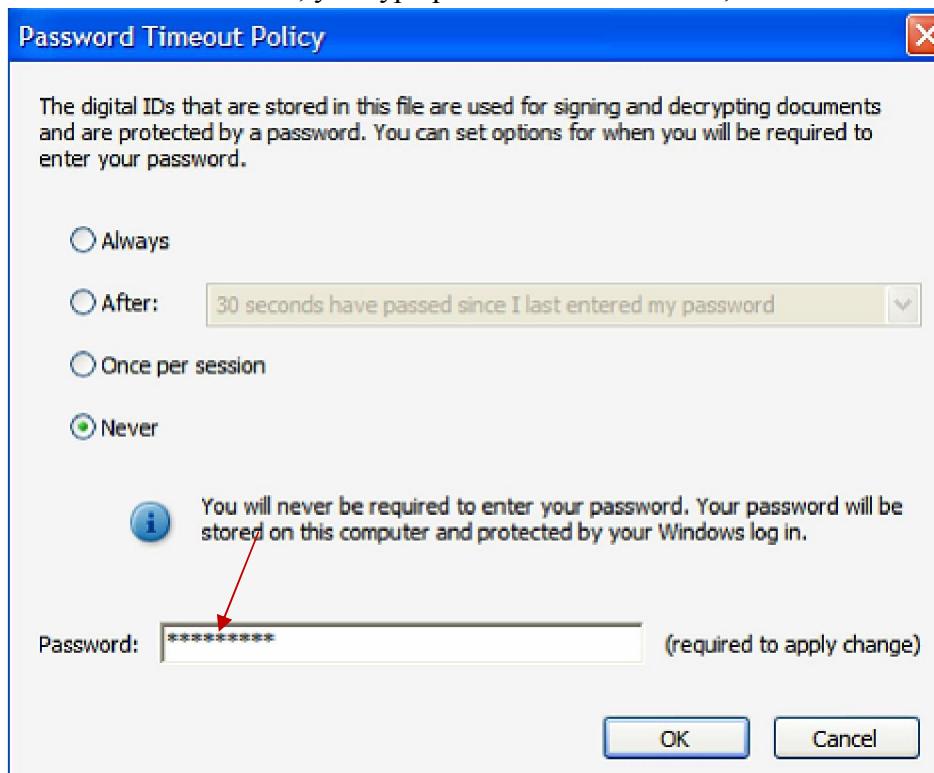

### Manage My Digital ID Files

This is a list of the **digital ID files** on this computer from which digital IDs are available. Digital ID files are password-protected files that contain one or more digital IDs.

An ID file is automatically added to this list after you add one of its digital IDs to your set of digital IDs. To manually add a file to the list, click *Attach File*. Select one of the entries above to change password settings for that file.

At Never Box , you type password: 123456789 , click OK

OK. Now you can open ebook without type password anymore.
